

ICSTI Announcement

The International Council for Scientific and Technical Information–ICSTI is happy to celebrate the 10th anniversary of the APE Conference series by holding its **2015 Annual Members’ Meeting (AMM) in parallel with the APE 2015 Pre-Conference Day on Monday, 19 January** at the NH Hotel Berlin Mitte (Room Friedrich 3).

Held as part of the Annual Members’ Meeting, we will also present two complementary workshops organised by the ICSTI Information Trends and Opportunities Committee ([ITOC](#)) and the Technical Activities Coordinating Committee ([TACC](#)). The workshops are open to all. View detailed programs below.

[ITOC Workshop Description](#)

[TACC Workshop Description](#)

To register
